
CAPABILITIES STATEMENT

Company Overview

Hook & Haul LLC is a small business owned and led by a service-connected disabled veteran and certified by the State of Texas as a veteran-owned Historically Underutilized Business (HUB). Headquartered in Houston, Texas, we provide nationwide over-the-road (OTR) hazmat and general freight transportation, along with heavy-duty fleet maintenance solutions through our DEF Rx platform. We operate 53' step deck tractor-trailers, supported by qualified subcontract carriers on standby, and we transport industrial equipment, heavy machinery, oilfield materials, bulk and non-bulk hazmat (Class 3 and Class 8), and general freight. We maintain compliance with FMCSA and PHMSA requirements and are committed to safety, responsiveness, and dependable, on-time delivery.

Core Competencies

- Open deck hauling, 80,000+ lbs (legal and oversize loads)
- Power-only transport (semi-tractor or 1-ton pickup for customer trailers)
- Nationwide OTR and regional general freight
- Expedited, time-sensitive, and last-minute loads
- Freight coordination and subcontract support
- Hazmat and tanker certified
- Fleet health monitoring and maintenance tracking (DEF Rx platform)
- Mobile diesel particulate filter (DPF) cleaning dispatch
- Authorized Carbon B Gone dealer, offering portable DPF cleaning systems

Differentiators

- Service-connected disabled veteran-owned and led; Texas HUB certified
- Active fleet operator, so our fleet solutions are built from direct operating experience
- \$1M liability / \$250K cargo insurance (will update per contract)
- Headquartered in Houston, with access to ports, refineries, and Gulf Coast industry
- Experienced in oilfield, industrial, construction, and machinery transport
- Rapid response for urgent regional and OTR freight needs

Past Performance

- Regional subcontracting for national freight brokers and private clients
- Machinery, construction, and oilfield materials transport throughout Texas and Louisiana
- Proven record of safety, communication, and on-time delivery
- Step deck and power-only service for specialized and oversized freight
